

Exempting Multiple Assignments using the Grade book

1) In your course click on Students on the left hand navigational tool bar and select the student which would you like to place exemptions.

2) At the top of their page, select Set Student Exemptions:

Segment: 1, 2

Exemptions: [Set Student Exemptions](#)

3) This will allow you to select what options to edit. Simply select the best option for the student.

Exempt / Unexempt Honors

Exempt / Unexempt Non-Honors

Exempt / Unexempt Segment One

Exempt / Unexempt Segment Two
